LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards other, to resolve such doubt against myself.

TO HOLD friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS INTERNATIONAL OBJECTIVES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

District Governor 2020-2021 Dr. Ron Riebschleger (Tracie)

After graduating the University of Notre Dame, Dr Ron had to see what “the other half” of the world’s colleges looked like, so he attended the University of Michigan School of Dentistry. There is quite a difference! Although, you will have to get the reviews from him in person! Along the way, he managed to squeeze in a year of studies at the University of Innsbruck and an abbreviated stint in Salzburg—both in Austria as well as an exchange dentist program in Kyoto Japan. He is currently a member in good standing of multiple dental organizations such as the American Dental Assn, Michigan Dental Assn, as well as the West Michigan District Dental Society. He loves practicing dentistry in the little town of Rockford and (most of) his patients love visiting him at the dental office. Some folks are still not huge fans of the dentist in general, but still love Dr Ron—as he is known at work! Wife of almost 30 years, Tracie, runs the local popcorn shop (aptly called

the "Sweet Tooth"--yes there is also more to that story) and children Zakary and Delanie are both active in the Lions club and Rockford community.

While in college, Dr. Ron was President of multiple clubs. He is most proud of being chosen to lead the American Student Dental Association while at the U of Michigan and was given the opportunity of traveling around the country representing the school. After receiving his dental degree, he moved to West Michigan in 1989 and has been here ever since. In the '90s, he was very active in the Michigan Dental Association and was on multiple committees involving Membership and Emergency dental care in the community. It was about this time that he realized he wanted to do more for his *local* community and found the Lions club was a great way to do it! As a Lion, over the past 1-2 decades, he has served in almost every capacity. As one of the first two-year term club Presidents, he was able to bring energy back into the club that it had been losing in the prior years. This new energy continued to grow as he served as Chairperson of the Membership Committee for the next many years. One of his favorite roles was with the Leo's, where he was instrumental in chartering one of the largest Leo clubs in MI, and it is still going!

As a District Governor, he hopes to get clubs to find new ways to serve their communities with new projects and ideas. He hopes this will continue to bring new life, members and excitement into each Lion Club(s); therefore, making our District once again one of the strongest and most vibrant Districts in the state! As a team, he believes we can do it!
